Menomonee Falls Police Department Crime Alert

The Menomonee Falls Police Department is seeking the public's assistance in the prevention of vehicle thefts. The majority of stolen vehicles reported to the MFPD in 2017 have had keys left inside and / or doors unlocked at the time of the theft, creating an easy opportunity for thieves. In some cases, unlocked car doors allowed thieves access to a garage door opener, which allowed thieves access to a garage, vehicle(s) in the garage and the home through an unlocked entry door. These crimes have not been limited to any particular area of the village. Please take this opportunity away from thieves.

What you can do:

- **Keep all doors and windows of your vehicle closed and locked, even at home.**
- **Do not keep the ignition key / electronic key (vehicles with keyless ignitions) in the vehicle.**
- Remove all valuables, including purses, wallets, money (even change), computers and cell phones, from your car when you park, even at home.
- Park your car in a well-lit area, as close to your destination as possible.
- Report suspicious activity when you see it. Don't wait.

Reporting a crime or suspicious circumstances:

If you are the victim of a crime or observe suspicious activity please contact the Menomonee Falls Police Department immediately at (262) 446-5070, in an emergency dial **911**.
