Menomonee Falls NEIGHBORHOOD WATCH NEWSLETTER

SPRING 2010

Message from our Chief of Police -- Anna Ruzinski

Hello to everyone! I want to say 'thank you' for helping us to make 2009 an extremely safe year in our Village. Violent crime dropped 27% with overall crime dropping 20%. Vehicle crashes dropped 36% and injuries from accidents dropped 25%. It is definitely a reflection of safer driving habits by our citizens. And let's not forget our award winning Neighborhood Watch!

This year brings many exciting projects to the Menomonee Falls Police Department. Our most exciting news is the formation of our own MFPD K-9 Unit. In April of this year Officer Chris Harding will travel to North Carolina to train for six weeks with his new K-9 partner. Our dog will have the capability of doing both patrol and drug sniffing functions. He will also be used for public relations. "Parker" is being named after Officer Bill Parker, who you may recall was one of our beloved officers who died in 2008 after battling a rare liver condition. I'll make sure to have him the featured officer at a future Block Watch meeting.

There are several projects for this spring. On March 23, the MFPD, MFFD, the MF School District and Community Memorial Hospital are teaming up to participate in a simulation of an active shooter at the high school. This exercise will test our ability to respond, coordinate and cooperate with each other in a disaster. This ensures a better response by all involved should the real situation of this magnitude ever occur. Please note that on March 23, between 4-9 p.m. access around the high school will be very limited. We have to ensure the safety of all the role players and responders during this exercise drill.

During March, April, and May, we are joining forces with

the Addiction Resource Council on a campaign, "Parents who host lose the most". The message will focus on preventing teen drinking. It will be aimed at parents who think they are doing the right thing by allowing underage youth to drink at their homes because they believe it's safer. Not only is it not safe, it is illegal. You may see signs and stickers showing up at local businesses and the schools.

On May 8, 2010, we will again team up with Community Memorial Hospital to have a drug drop off for all of your unused medication. The drop off runs between 9 a.m. and noon and will be in parking lot B of CMH, same as last year. It was very successful and ran smoothly. You don't even have to get out of your car.

We have been approved in the budget to add squad cameras to all of our traffic and patrol vehicles. This is a long over due project that will protect citizens and officers alike. We hope to have them installed before this summer.

The second class of our police citizen academy will begin September 7 and run through December 7, 2010. The first class was a great success and I hope some of you will consider joining us for the second class. Applications can be found on our website or in the police business office. Applications should be in by the end of July. There

is only room for twenty, so get your application in early.

The MFPD looks forward to a great year in 2010! Thank you for your support. I look forward to our continued cooperation.

Sincerely,
Chief Anna M. Ruzinski

Spring Brush Pick-Up

The MF Public Works Department is once again scheduling a spring brush pick-up for **Monday, May 17, 2010.**

We cannot extend the pick-up, or pick up brush that is put out after the deadline on Sunday, May 16th

Please follow these rules to help us with this year's brush pick-up:

1. Brush materials acceptable for Village pick-up are branches up to six inches in diameter, cut to a maximum length of four feet.
2. Brush must be placed on the terrace area (between curb and sidewalk). In areas without curb, brush should be placed on grass area adjacent to the street pavement or adjacent to driveway entrances.
3. For safety reasons NO brush may be placed on the street pavement.
4. PLEASE NOTE: Yard waste, including grass clippings, leaves and garden debris WILL NOT be picked up.
5. NO stumps, roots or shrubs with intact root balls will be picked up.
6. Any yard waste that is mixed in with your branches WILL NOT BE PICKED UP.

CITIZEN POLICE ACADEMY

A Citizen Police Academy is a program intended to educate citizens about police work. It is an opportunity for the police department to build rapport with the citizens they serve. **We are very happy to announce that the Menomonee Falls Police Department will be offering its second Citizen Police Academy in the Fall of 2010.**

The Menomonee Falls Police Department Citizen Police Academy is designed to give the public a working knowledge of our department's organization, personnel, policies and procedures. The Citizen Police Academy is not designed as a preparatory class for individuals who desire to become a law enforcement officer -- it is designed as an educational and

informative offering for adults who either reside or work in our village that have a desire to learn more about their police department.

The Citizen Police Academy will cover a plethora of subjects to include police administration, traffic enforcement, police operations, criminal investigations, use of force, tactical operations, etc. In addition, you will be a graduate of the Citizen Emergency Response Team (CERT) training.

The Citizen Police Academy will consist of thirteen weekly two to three hour classes and one Saturday eight hour session. Please see the attached schedule. Questions? Please contact Sergeant Michael J. Brasch, (262) 532-8740.

My Citizen Police Academy **EXPERIENCE**

"I truly can appreciate these persons and their job skills. I feel I am a better prepared citizen and I only hope that I will not be called upon to test me in the life saving techniques they taught me, and if I am I can provide the necessary skills to help properly.

It was very enlightening, stressful, confusing and emotional to be placed in such situations that these persons handle on a day to day basis.

Thank you to those who choose to be there for the rest of us."

Dorene MacArthur,
MfNW Captain and Board Member

"On a Crime Scene Investigation segment, we learned how police get footprints off the floor for evidence. I saw this used in an armed robbery while I was on a ride-along with an officer. We also were able to drive a police car and fire truck."

Richard Blum, MfNW Captain

"A professional, well trained and lead Police Department is the second essential component to keeping a community safe. The Citizens Police Academy gives the citizens an appreciation of the hard work and dedication of all in the police department and the confidence they can protect the community. It gives the citizens the opportunity to see how and where the considerable tax dollars spent on the police goes and that the money is well spent."

Marc Schneider, MfNW Captain

"Besides getting to meet Menomonee Falls finest we also were able to see first hand what they do and how dedicated and professional they are. I really looked forward to our weekly classes. I think these classes will help us become better citizens here in the Falls. The classes were well worth time to take.

Dennis MacArthur,
MfNW Co-Captain
